

DONNIE THE DANCING DONKEY

1. What is Donnie the Donkey's big dream?
2. Was dancing something that came easily to Donnie?
3. Were the other animals kind to Donnie when they saw him dance? How did they behave?
4. Imagine you were Donnie. How would the other animals' behaviour make you feel?
5. If you were in Donnie's class, how would you help Donnie feel better?
6. Why do you think Donnie deserved that part in the school play?
7. Why do you think it's a great idea to watch people who are very good at what you like to do?
8. There is a saying, "the more you practise, the luckier you get." Donnie was lucky that a bigger part was now available. Do you think, though, if he didn't practise so hard, he would have been able to take it?
9. Why do you think the other animals were so rude to Donnie?
10. It's great to talk to your loved ones when you feel sad because they can comfort you and give you good advice. What advice did Donnie's grandma give him about dealing with bullies?
11. How did Donnie feel when his dreams finally came true?
12. Why do you think it's important to never give up on your dreams?
13. Imagine you were on stage, having a fantastic time dancing with Donnie! Use your art skills and draw a picture, making this come to life.
