

REDUCE, REUSE, RECYCLE WITH LIAM, THE SMART RABBIT

1. Liam loves being outdoors and nature. What are some of his favourite activities outside?
- 2A. What happened when a truck drove by Liam's home?
- 2B. Why did this make Liam's mother upset?
3. What did Ms. Squirrel explain to Liam about plastics?
4. How can plastics be harmful to animals?
5. Plastics are found in many things we use every day. Can you name some of these items?
6. According to Dr. Goose, why are plastics considered dangerous?
7. What actions did Liam take after learning about the harmful effects of plastics?
8. Inspired by Liam, his friends thought of many ways to reduce, reuse, and recycle plastic!
 - 8A. What clever idea did Steve the bear have for reusing items to help reduce plastic waste?
 - 8B. Joey the frog realised balloons are used just once and can harm the environment, so he decided not to use them at his party. Can you think of another way to reduce plastic use?
 - 8C. Henry the hedgehog talked about recycling. Can you explain what recycling is?
9. What are some small changes you can make today to help the environment?
10. What do you love the most about nature?
11. Why is it so important for us to take care of our environment?
12. Use your wonderful drawing talents to create picture of how you help the environment

I love seeing your artwork.

If you would like us to feature your drawing and celebrate you,
please do send a picture of it to changetheworld@karyn.uk
Don't forget to include your name and age!
