

# THE FANCY FLAMINGO

1. What was the big question the fancy flamingo asked herself at the start of the story?
2. In what ways is she different from the other flamingos?
3. How did embracing her personal style make her feel?
4. What made the fancy flamingo a good friend?
5. Many flamingos like to be in groups, but the fancy flamingo prefers to be alone. Both are great in different ways...
  - A. Can you think of some reasons it's fun to be in a group?
  - B. Now think of some reasons why it's nice to be alone sometimes.
6. In the end, what did the fancy flamingo think about being different from the others?
7. What is something unique about yourself?
8. What are some unique things about your friends and family that you love?
9. If you had a friend who was worried about being themselves and of what others may think, what would you say to them?
10. Why do you think staying true to yourself makes you happy?
11. Show off your awesome drawing skills by creating a picture about the story. You can draw the fancy flamingo, or even a picture of your beautiful, fancy self! You can also illustrate a lesson we learned, like the importance of being true to who you are.

I love seeing your artwork.

If you would like us to feature your drawing and celebrate you, please do send a picture of it to [changetheworld@karyn.uk](mailto:changetheworld@karyn.uk)
