

WHEN I GO HIKING

1. Christopher loves hiking with his family. If you could go on a hike, who would you bring with you?
2. Sometimes, you can see a waterfall on a hike. Do you think all waterfalls look the same? What might be different about them?
3. Christopher likes hiking on sunny days, so he stays dry. But hiking in the rain could be fun too! What fun things might the rain bring?
4. When you go on a hike, what clothes would you wear to stay comfortable and safe?
5. What things would you pack in your backpack for your hiking adventure? Why are these items important?
6. There are many different kinds of trees and leaves you can see on a hike. Can you name two types of trees? If you need help, ask a grown-up.
7. The mountains are home to many animals. What animals might you see on your hike?
Hiking can make your legs feel tired, but it's worth it! Why do you think hiking is so much fun, even if it makes you tired?
8. Imagine you are hiking on a mountain with your loved ones. Think about all the beautiful things you see: the view, the trees, the rocks, and the animals. Draw a big picture of your mountain hiking adventure, showing all the wonderful things you discovered along the way.
