

# ADVENTURES AT BREYER WOODS: THE CASE OF THE MISSING NECKLACE

1. What kind of magical tree stands tall in the middle of Breyer Woods?
2. Are Squirt and her siblings close? How can you tell by the way they interact with each other?
3. What important item had Squirt lost?
4. What helpful advice did Squirt's mom give her to help find the lost item?
5. Why do you think Rammy is a good big brother?
6. The detective team brought along some helpful gear. Look closely and name two items they brought.
7. Where did the team look for the lost necklace?
8. What solution did the team come up with to explain how the necklace ended up in the tree hole?
9. When the claws couldn't reach the necklace, Squirt had a brilliant idea to use a magnet. How did the magnet help retrieve the necklace?
10. The team solved the mystery together, not just because they had great detective gear and were smart, but because they had very good teamwork. Write down an example of them working well as a team.

**Drawing Activity:** To celebrate a job well done, the detective team invites you to play a game in Breyer Woods with them. Draw yourself together with the team, playing either:

- Tag in the Bamboo Patch
- Hide and Seek in the Garden of Lions
- Dancing by the Totem Pole
