

MY GRANDPARENTS & ME

1. What activities does the little girl in the story like to do with her grandparents?
2. Can her grandparents still spend time with her even though they are far away?
3. What do they use to talk to each other? (Circle all that apply)
 - Phone
 - Video Chat (like FaceTime or Skype)
 - Letters
 - Email
4. How do the little girl's grandparents make her feel? (Draw a face to show the feeling)
5. Do you have anyone special who lives far away? Who?
6. What is something you would like to say to this special person?
7. Using your wonderful art skills, draw a picture of yourself and this special person spending time together, doing something fun! Think about how this person can still be there with you:
 - Are you calling them on the phone or iPad?
 - Are you carrying their picture with you?
 - Or maybe you're writing them a letter?

I love seeing your artwork.
If you would like us to feature your drawing and celebrate you,
please do send a picture of it to changetheworld@karyn.uk
Don't forget to include your name and age!
