

GRANDMA GETS AN UPGRADE

1. How did Grandma feel as the plane, other witches, and birds zoomed past her?
2. Grandma used to love flying on her broom, but now she doesn't like it as much. Why is this?
3. The salesman showed Grandma and Wren many upgrade options!
 - A. Which one goes so fast that it makes Grandma dizzy?
 - B. Which one needed its own barn?
 - C. What upgrade was slow but unstoppable?
4. All of these options were nice but not quite right.
 - A. What was the problem with the submarine?
 - B. Why was the hot air balloon not so good?
5. In the end, after trying all of these options, what was the best option for Grandma?
6. Do you think if you look hard enough for what's wrong with something, you will always find something wrong? Why?
7. Why is it important to be thankful for what we have?
8. If you saw that your friend was being ungrateful for something they have, what would you tell them?
9. Drawing Activity: Think carefully about all the different kinds of transportation the salesman showed Grandma. Pick your favourite one and use your amazing art skills to draw a picture of you travelling with it. Think about where you would go and what it's like to use it!

I love seeing your artwork.
If you would like us to feature your drawing and celebrate you,
please do send a picture of it to changetheworld@karyn.uk
Don't forget to include your name and age!
