Invent a Computer Helper

Computers can help us do amazing things! What computer would YOU invent?

Remember Bobbie's Computer Secrets!

Your invention must do ALL 4 things:

 Instructions

 Change

 Help

 Use Electricity

 Example: Karyn invented a "Homework Helper"

 You tell it what subject you need help with

 Shows math, reading, science, or spelling

 Helps make homework easier and more fun

 Plugs into the wall to charge up

DRAW YOUR INVENTION HERE!

My invention is called: _____

Name: _____

HOW MY COMPUTER WORKS
