## What did I learn?

1. Draw one thing you need and one thing you want.

A need

A want

2. True or false? Circle your answer.

We can have everything we want.	<input type="checkbox"/> True	<input type="checkbox"/> False
We should buy needs before wants.	<input type="checkbox"/> True	<input type="checkbox"/> False

3. Finish the sentence.

if I had some money, I would buy _____ first because _____
---

 Discuss with a partner or grown-up:

Look around your home or classroom - can you spot one need and one want?

## Key Vocabulary

### Need

Something we must have to live.

e.g. food, water, shelter, clothing

### Want

Something we would like but can live without.

e.g. toys, treats, fancy things

### Money

What we use to pay for things we need and want.

### Earn

To get money by working at a job.

### Income/ Salary

The money a person gets paid for doing their job.

### Spend

To use money to buy something.

### Save

To keep money for later instead of spending it now.

### Choice

Picking one thing over another because we can't have everything.
