

If I Were a Mommy

Discussion + Drawing)

These questions are for talking about together with a grown-up or partner!

1. Can you remember one rule the little girl's mom gave her that she didn't like?
2. Why do you think her mum has this rule?
3. The little girl had so many ideas for if she was a mommy. Can you think of one of them?
4. Do you think that idea would work out well or cause problems? Why?
5. Do you think it's easy being a parent? What might be tricky about it?
6. Our parents and grown-ups love us so much - what is something you would like to tell your special grown-ups?

We would love to feature YOUR art on our homepage!

If I Were a Mommy

Art Challenge!

If you were a mommy or daddy, what rule would YOU make?
Draw a picture showing us your rule and how fun it is!

Think about:

- What is your special rule?
- Who is following your rule in the picture?
- What makes your rule so fun?
- What colours will you use to show everyone having a good time?
