

Karma Cats, To The Sea

1. What were the Karma Cats doing when we first met them in the story?
2. There were a lot of beautiful sea animals in the story, can you remember two of them?
3. What happened to Savannah when she went to play in the sea?
4. How did this make her mom and best friend feel?
5. How did Oliver help free Savannah and the other sea animals from the net?
6. Julian and Oliver make a great team! What brave thing did Julian do to keep everyone safe from the shark?
7. What happened to Apollo the Turtle?
8. How do you think this could have been avoided?
9. Apollo told the Karma Cats they had helped him once before, when he was a baby. How do you think Apollo felt when he saw them again?
10. After helping Apollo, what brilliant idea did the Karma Cats have?
11. Why is it so important to help keep our environment clean?
12. How can you be a hero of the sea? You can think about the heroes in this story or think of a totally different way - the most important thing is to help the environment and animals!

Karma Cats, To The Sea

Art Challenge!

Draw yourself as a Hero of the Sea! Show us how you would help keep the ocean and its animals safe and happy!

Think about:

- What are you doing to help? (Picking up litter, freeing an animal, teaching others?)
- Which sea animals are you helping? What do they look like?
- How do the animals feel when you help them?
- What colours will make your ocean bright, clean, and beautiful?
